CALOS, GRANDE RESERVE – CAHORS

INTERNATIONAL WINE CHALLENGE 2019  
CAHORS TROPHY,  
GOLD MEDAL, 95 POINTS

#### BACKGROUND

CALOS which means "Pebbles" or "Gravels", in old French (Celtic) translates well the terroirs of Cahors.

CALOS was created from our desire to produce the best and most representative Malbec from Cahors and show how much this indigenous grape variety has evolved in its native environment.

The Malbec grapes for this wine have been sourced from our best vineyards located on the Côteaux & 3rd terrasse, allowing us to illustrate the character of those very different terroirs.

With gravelly terraces in the valley and hillsides composed of chalky clay and limestone, this landscape gives our CALOS Malbec the complexity and elegance of the great wines.

#### TASTING NOTES

CALOS Grande Reserve has complex floral and herbal aromas, with vibrant, rich black fruit, well balanced by balsamic spice. Fragrant and firm tannins and well integrated oak characteristics on the finish.
